This client agreement including the following terms and conditions is a contract for services provided by TreDesMo Visions, LLC (referenced herein as 'Photographer') The Photographer should be notified immediately of any changes in scheduling or location. It is the client's responsibility to confirm all arrangements 7-10 days prior to the date of the event/photo shoot and to notify the Photographer immediately of any change of address or contact information as listed on this contract.

DESCRIPTION OF SERVICES

TreDesMo Visions, LLC will provide high quality photographic services for the event(s) described above. Unless otherwise noted, we will provide one professional photographer to take photographs using digital camera equipment, producing "Digital Images" in .JPG format. In addition to the primary photographer assigned, TreDesMo Visions, LLC may use additional photographers and/or assistants at its discretion.

Proof photographs shall be delivered to the Client via Photographer's website with a username and password provided. The Client shall provide the Photographer with a written list of the proof images from which final photographs are to be prepared, and specify the number and format(s) of the final photograph to be delivered for each proof image.

The Client shall assist and cooperate with the Photographer in obtaining the desired photographs, including but not limited to specifying persons and/or scenes to be photographed; taking time to pose for photographs at the Photographer's direction; providing a person to guide the Photographer to desired persons and/or scenes;

pre-shoot consultations, etc. The Photographer shall not be responsible for photographs not taken as a result of the Client's failure to provide reasonable assistance or cooperation.

The Photographer is the sole professional photographer allowed to photograph the event. Amateur photographers may take photos during the event if they do not interfere with the contracted photographer and are not shooting our same posed shots. If a problem arises with any guest or attendee(s) the on-site event representative (the Client) will be advised to handle the situation politely for us by enforcing the conditions of this contract.

COPYRIGHT, LICENSE TO USE, AND MODEL RELEASE

It is understood that the Photographer owns the copyright to all of the Digital Images and reserves the right to use them for display, publication, advertising or other purposes. Upon receipt of final payment, the Client is granted a Non-Exclusive Unlimited License to use the Digital Images for their own non-commercial purposes, such as printing, electronic messaging, exchange with friends and relatives, or display on the Internet. **No Digital Images will be provided to the Client until full payment has been made.**

DEPOSIT, RESERVATION AND SCHEDULING (FOR PERSONAL EVENTS)

The balance is due **the day before** the event. Any overtime fees approved verbally by the Client during the event are due upon completion of the event. Upon signature and receipt of the deposit, the Photographer will reserve the specified date and time for the event.

If the Client wishes to cancel this Agreement 30 or more calendar days before the event date, any deposit paid to the Photographer will be refunded to the Client in full. If the Client cancels the event within two weeks of the event date and if the Photographer cannot obtain another assignment for that date, 50% of the deposit will be refunded.

ARCHIVAL STORAGE OF FILES

TreDesMo Visions, LLC stores electronic files of your images for many years. This does not include those images that are not among those presented to clients as proofs. If a client wants a digital copy of those 'rejected' files they will be available separately for purchase at a nominal fee. In addition, although extensive efforts are made to store all 'non-rejected' images for several years, there is no guarantee that a catastrophic event such as a fire, theft or other disaster will not destroy all files that we are archiving. In the event that archived files are destroyed or lost, the Photographer cannot be held liable and will not pay reparations for anything beyond products which have been paid for but not yet received.

OTHER SERVICES

This contract is for the photography services and electronic delivery of the Licensed Digital Proofs only. With this contract, you will be provided with a **Low-Resolution CD** (for social sharing such as Facebook, email, etc.). Additional services, such as providing **High-Resolution Digital Images** on physical media (CDs, prints, etc.) are available as a separate order.

In such events the Photographer will make a good faith effort to secure a substitute photographer who will work under the previously made arrangements. This limitation on liability will also apply in the event that photographic materials are damaged in processing, lost through camera malfunction, or otherwise lost or damaged without fault on the part of the Photographer.
